

**Join us**  
as we gather together  
- at home -

The pandemic may have stopped us from gathering but it didn't stop the need for Porchlight's services and the support you consistently help us provide to our clients.

To ensure your safety, this year's Annual Dinner will be a virtual event. You will hear triumphant stories of resiliency and lives restored due to Porchlight services. During the event you will see a first hand account of our response to the pandemic that devastated the lives of many of our homeless neighbors.

We hope to see you virtually on November 10 at 12 p.m.

## WKOW features the need to keep people safe and warm

Our friends at WKOW recently featured a story about Ben, a Porchlight outreach worker, and our daily efforts to help people who are homeless and living outside. Many of these individuals and families became homeless after losing their job during the pandemic and are afraid to seek shelter in large indoor areas like Warner Park.

## Give a Gift of Goodness this Holiday Season

Purchasing Porchlight Products gift boxes made from locally sourced, all-natural ingredients are a delicious way to support employment for people with physical and mental disabilities.

Porchlight gift boxes are perfect for many occasions:

- Employee and client appreciation gifts
- Welcoming a new neighbor
- Holiday gifts for friends and family members

Contact Melissa at 608.620.7792 or [KDirector@porchlightinc.org](mailto:KDirector@porchlightinc.org) to learn more about purchasing Porchlight Product gift boxes.

Fulfilled wishlists provide stability to those at Porchlight

Please check out our donation wishlist and share it with your co-workers, friends and families. Porchlight relies on many in-kind donations to support our residents who move into housing with very few household possessions.

New or gently used donations from our wishlist are greatly appreciated.
